"The World Cup in South Africa have convinced those who were still in doubt, that this country has an immense holiday potential. West Forever on the back of this, did 3 tours in in South Africa in 2010. The adventurers returned enchanted after having discovered a marvelous country full of smiling people. We rode on perfect roads, tasted excellent food and extraordinary wines. The whole thing for on a reasonable budget!"

Think, the fertile areas of the cape town, moderated by the Atlantic coastal winds, while riding along wine trails and the Cape Route 62 into the semi-desert of the Karoo.

Add lush plateaus, the Indian Ocean of the famous Garden Route, the 'Road of the Whales' and the Cape of Good Hope..

This is the perfect ride to discover the landscapes which make the South Africa one of the most treasured destinations in the world.

The roads themselves are fantastic, perfect for riding your Harley-Davidsons, our lodgings are quality combined with the right settings for our nightly stops..

Oh, and you can add Braai (African style BBQ), wildlife Safaris, 4x4 travel to the list of adventures you will encounter.
