A Harley ride to a different tune!

There are magnificent bike weeks in Europe, An example is the village of Grimaud, on the Mediterranean coast but there is also, and even popular, Faaker See (Faaker Lake) Annual Bike Rally, which is held in one of the most picturesque parts of Austria, close to the Slovenian border.

A bike week and one of the most beautiful Harley-Davidson festivals on the continent. To get there, we need to soar like eagles on mountain roads with breathtaking views through the superb landscapes of the Bavarian Alps, both Swiss and Austrian.

We also manage to swing by the old Bavarian town of Munich and Salzburg the home town of Mozart. This tour is a brand new concept and ran for the first time in 2011.

The concept is a group of bikers who yearn to ride on superb roads, mainly in Germany and Austria and who want to take part in largest bike week in Europe (40,000 motor bikes) while sticking to a very reasonable budget. 'Old Fashioned Bike Trip' is the keyword, helping each other, travelling as a group reinforced by fun and festive evenings. The luggage is also transported the 'old fashioned way' on the motor bikes. No need to brush up on your German/Austrian, as your guide will interpret as often as necessary to English or French. And be prepared for the quality of the meals in these Germanic areas!
