## RIDING IN TUSCANY 2012

- 11 days fully guided tour on magnificent Harley-Davidson motorbikes.
- Ride through France & Italy
- This tour is meant for those who want to discover and ride through one of the most beautiful regions in the world. Historical visits, exquisite gastronomy, wine tastings and shopping will all be part of this tour. Tuscany is particularly famous for being the home of Leonardo da Vinci, Raphaël and some of the great Renaissance painters.
- We will ride together in a group at a moderate pace following the group leader.

### Italy beams and shines before your eyes!

Pisa, Florence, Siena, Perugia, Assisi -

Yes, you have guessed it, you are at 'ground zero' of ancient history and art and we will see it all on our Harley-Davidsons, along with 'natural wonders' such as the sun shining on the never-ending corn fields.

The hills are infinite, as is the sea at the shores of the peninsula and of course we have packed your trip with Italian foods and flavours.

We start in Saint-Raphaël, with our French - Italian guide, and we discover the country of Leonardo da Vinci, Raphaël and the great painters of the renaissance.

This tour is a feast for the eyes, a great ride all combined into one package!

Your guide is Gian Paolo Priotto, a professional since 1997. He knows Tuscany very well as he has toured this region many times on his bike and also knows La Ligure and Piemont where he lives. He speaks fluent English, Spanish and French, (he has been a ski instructor at Tignes since 1995). Gian Paolo has been a guide on West Forever US tours since 2006, he is very experienced in the world of Harley-Davidson, has always been a biker and loves it.
