- 14 days fully guided tour on magnificent Harley-Davidson motorbikes.
- Ride to Sturgis, celebrate the biggest bike fest in the world along with more than 600.000 other bikers and bike enthusiasts from around the world.
- Ride through some of the most spectacular National Parks USA have to offer, including Yellowstone, Rocky Mountains, Mount Rushmore, Custer & Devils Tower.
- During the day, ride as a group and see all the sights on your way, as your guide take you from spot to spot. At night, stay in quality accommodation and relax after another adventurous day.

There are 2 places in the world where every biker should go at least once : Daytona Beach and Sturgis.

Both events serve up a different spirit. - Daytona is Chrome & sparkles by the sea. - Sturgis is the biker's way of life, mateship, love of everything relating to motorbikes and some fantastic rides in the Black hills, only interrupted by the party atmosphere in Sturgis and Deadwood, the shows, the saloons and the concerts.

We start the Ride to Sturgis from Salt Lake City, the trip itself, like most of our tours, is fully guided, apart from the time in Deadwood/Sturgis where the you are free to ride at your own pace or park the bike and take in the unique atmosphere of Sturgis.

Not only Salt Lake City, 'The Mormon Vatican', but landmarks like Grand Teton, Yellowstone National Park, Cody the hometown of Buffalo Bill & his rodeo, Devils Tower, Custer Park with millions of bison (buffalo), Crazy Horse Memorial, Bear Butte State Park, The Badlands and the spectacular Rocky Mountains National Park and new on the itinerary, Dinosaur National Park.

During the Sturgis Rally, we'll stay on the main street of Deadwood, a small cowboy town where Buffalo Bill & Calamity Jane are both laid to rest and only 12 miles from Sturgis itself.. Here we will kick off our boots and party 100%.
